

CAMP HOPE FOR A DAY

You are invited to visit us at Camp Hope!

Camp Hope is a week-long overnight camp for children of inmates. It is the entry point into the lives of the children and families we serve and remains a part of their growth throughout our 10-year continuum.

We invite you to visit one of our three camp sessions this summer where you will be paired up with a cabin, eat lunch, experience a camp activity, have a tour and meet K2L program staff.

If you are able to join us, please contact our Development Director, Tina Jones at tina.jones@kidz2leaders.org or 770-977-7751.
