

KIDZ2LEADERS 2023 IMPACT REPORT

A year of breakthrough, milestones, and growth

475+
people served

700+
volunteers

\$1.38
million raised

375+
donors

99% of our program alumni are living free from incarceration

February: We received **5 times as many new camper applications** as ever before

March: We moved into a new space to accommodate our **growing team**

April: The **first class of research participants** was enrolled through our LEO Notre Dame partnership

June: We placed **17 interns** in local business internships, **2 times** as many as in past years

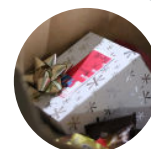

July: **209 kids** came to camp, with **2 times** as many new campers as in 2022

August: We launched **Anchored2Hope**, our year-round support program for campers' families

September: **3 times as many families** participated in family retreats compared to last year

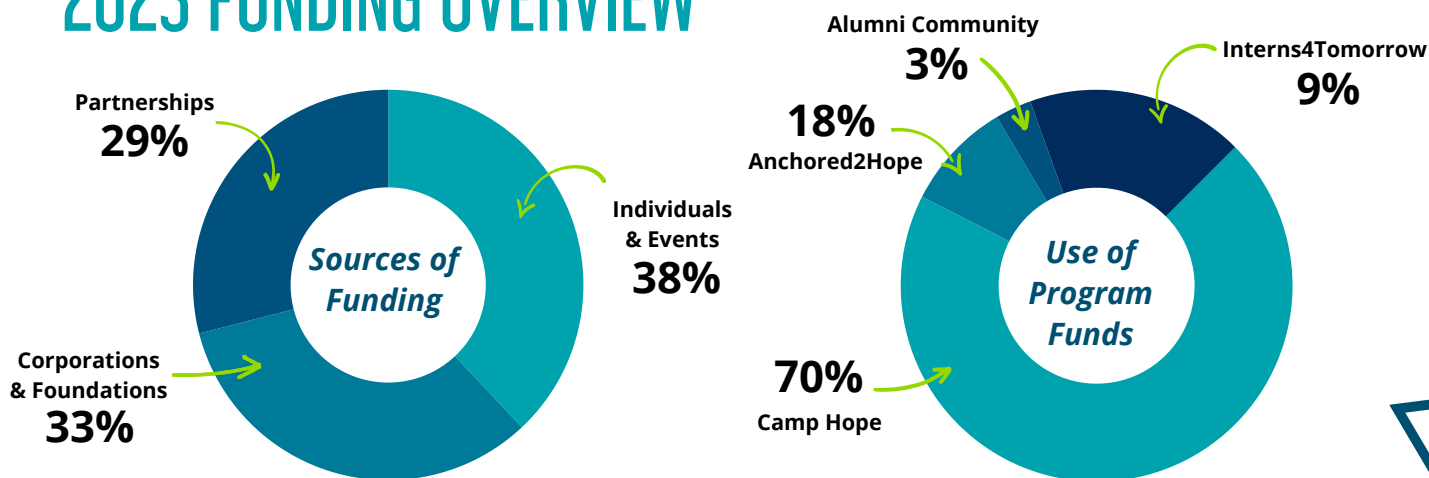

November: We launched our 2023 class of Interns4Tomorrow, with an **all-time high of 26 interns**

December: **900 personalized gifts** were given to children through Hope4Christmas, up from 600 last year

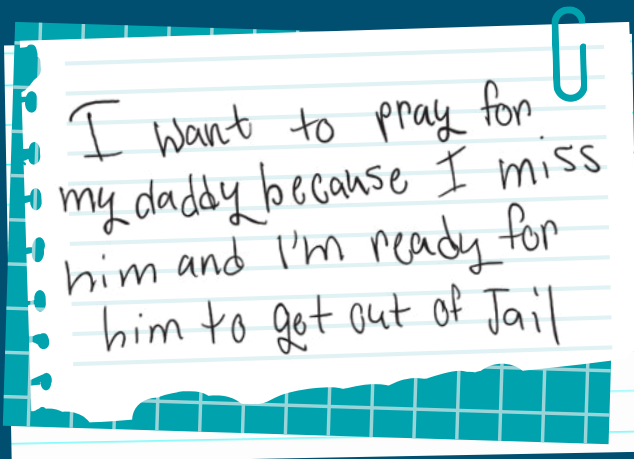

2023 Highlights

2023 FUNDING OVERVIEW

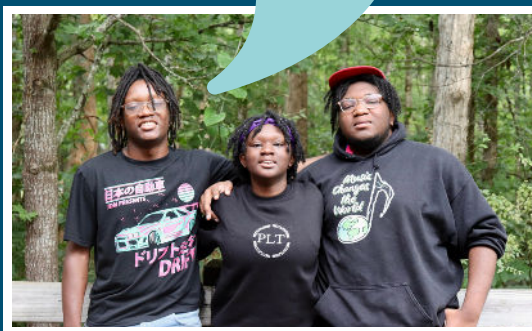

2023 was our first year exceeding one million dollars in donations, and we saw record-breaking growth in our ministry, reflected in the numbers of kids and families served. As we prepare for continued growth in 2024, our budget is projected to grow by 18% to \$1.6 million dollars.

HEAR FROM OUR CAMPERS

"I've been coming to Camp Hope for a decade now, and I want to come back and serve at camp. Everyone here has a similar story to mine... And it's the coolest comeback story."

- Khalil, K2L alumnus

Our LEO Partnership

After two years of preparation and research design, we enrolled the first group of participants this year in a research study facilitated by the Wilson Sheehan Lab for Economic Opportunity (LEO) through Notre Dame University! This study will help us analyze the effectiveness of our model and create a plan to replicate it as we grow.

THANK YOU

We are so grateful to you for making this ministry possible!

Kidz2Leaders continues to serve families because of the generous support of our donor and volunteer communities.

Together, we're breaking the cycle of generational incarceration.
