

2024 SNAPSHOT

- 783 individuals served
- 818 volunteers
- 350+ donors
- \$1.5 million raised

FUNDING OVERVIEW

Our record-breaking growth continued in 2024, serving more families than ever before.

To continue serving more children and their families, our **2025** budget has increased to \$2 million.

GROWTH & EXPANSION

We held our two largest ever sessions of Camp Hope this past summer and saw life changing impact! Due to the great demand for our programs, we anticipate welcoming 350 campers in 2025, with plans to add a third session of camp in 2026. All these campers and their families will enter our ten-year continuum of year-round programming and support.

WORDS FROM OUR FAMILIES...

- "K2L has created a path to bring our family closer together and closer to God!"*
- "K2L gives us much needed family time in a warm and loving way. We have also made lifetime friends."*
