

2025 IMPACT REPORT

A YEAR OF HOPE

We reached new heights this year at Kidz2Leaders, serving more kids and family members than ever before! 2025 was a year of relationships, community, and HOPE, with increased year-round gatherings, discipleship, and countless meaningful connections.

"K2L has given my children a sense of belonging and a community that believes in them... K2L isn't just breaking the cycle, they are building something beautiful in its place!" — Camper Mom

A YEAR OF GROWTH

Due to the success of our programs in Metro Atlanta, we took a step of faith and launched our first site expansion, bringing K2L to Birmingham, Alabama. Next summer we'll welcome our first 25 campers with the support of local partner churches and organizations.
